

7 Market Street, Harwich, Essex

List ref: 1298461

Map ref: TM 26065 32690

The house is mainly late 17th century or early 18th. It has much re-used timber and a 20th century extension on the rear. Re-front in 19th century with a shop front. In the garden is a section of septaria walling with brick above. Other brick structures around make it difficult to relate to any special time or feature.

Market Street elevation

General views around the rear.
